

Product Features

- HD/ EX-SDI transmission up to 500m over RG-6 cable
- HD-SDI plus power only one coaxial cables
- Self diagnosis feature for safe power transmission
- Cost effective way and easy installation
- Compact size and ultralight case
- Surge protection built-in

Technical Specifications

		60RP0001
Transmitter	Video In	HD-SDI
	Video Out	EX-SDI
Power Consumption		2W
Power In		12VDC/ 0.5A
Operating Temperature		-10°C ~ 50°C (14°F ~ 122°F)
Operating Humidity		0-80%
Weight		100g
Dimensions (WxHxD)		72mm x 33mm x 21mm
